

TEAMMATES FOR LIFE NEWS LETTER

Arua West Nile District – T4L Sports Complex

POWERFUL PARTNERSHIPS

This past July the people of the Arua District in northern Uganda blessed by Bishop Joel Obetia united into a trusting fellowship with Teammates for Life.

Working together we constructed a sports complex which provides healthy opportunities not only for our T4L girls but has renewed hope to this war torn area and brought optimism to the entire Arua community.

FAITH, LOVE AND TRUST IN OUR TEAMMATES!

Teammates for Life began the New Year with a celebration! On January 6, 2017 the inauguration of the new T4L Sports Complex. It was attended by many important Arua community members such as the newly appointed Bishop Collins, the Sports Commissioners, and T4L parents demonstrating their tribal dances. In attendance were the members from the Arua Diocesan, like the Mother's Union group who provide weekly Bible study and watch over our girls in my absence. An official T4L parade marched through the town to the sports complex where the Mnarvya Cathedral children's band played the Uganda National Anthem.

Presentations by the T4L girl's showcased their basketball skills followed by an inspirational guest speaker, Arua native Dr. Judith Aileai, a reproductive Surgeon from Mlagro Hospital in the capital area of Kampala.
