

Teammates For Life 2019 Newsletter

Claire Lamunu

A native Ugandan village girl earned a 4-year scholarship in 2014 to Vanguard University in California. Claire came home to visit and motivate our T4L girls.

Director Peter Senfuka

weds beautiful Lillian, a blessing who shares her husband with us at T4L.

Head Teachers

give report of impressive results from our T4L girls.

Fosca

is one of the many girls learning weaving, sewing, computers and music.

*Training young village girls who dream of being a T4L girl one day!
Thanks Coach Isaac!*

Communication

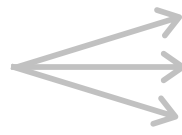

Understanding the depth of how far these girls have progressed in 3 years is not always evident. Originating from 3 opposing tribes, different languages, foods, values, songs and dances. Leaving families at age 10-12, brought to another foreign community where all will sleep, eat, study, play, and pray together. Today relationships are solid, "sisters for life", T4L's implementations are clear and supported by the girls village parents, Bishop and Diocese. Girls are leaders in the local communities! T4L girls are well known on and off the basketball court and classrooms. From the rural far North to the Capital Kampala. Pioneers setting examples for other girls to be bold and dream big.

"Sports produces empowering young girls, stimulating leadership qualities and building self-esteem which helps reduce chances of early pregnancy and promoting change in these at risk communities"

Cool and Silly before hot and serious practice singing praises in front of our Emmanuel Cathedral.

Blessings Gertrude made her first Communion

This year T4L focused on extra-curricular talents. Emphasizing communication - each girl was linked with a Pen pal to write letters on computers and recorded a short interview of thanks to their sponsors. Team building activity - a strenuous hike up Wati Mountain. Education - proudly 6 girls graduated to Secondary School. Sports - 2 of our girls were asked to play on the U16 National Team in June. We thank our Lord God for the success and love for our T4L program.

Letters to Sponsors

Climb to Wati Mountain

*Two girls making the
U16 National
Basketball team.*

*T4L was awarded the
Pollination Grant
to resurface the
young girls'/boys'
village court.
Thank you
Nikita Terry!*

*Drama Skit-
asking King for the
marriage of his daughter*
